foreword

I have a room whereinto no one enters
Save I myself alone
There sits blessed memory on a throne,
There my life centers.

—ROSSETTI

Everlasting, unchanging, through all one's life and experiences, there is but one place in our hearts which is devoid of all trouble or fear and where only sentiment lies—that is the storehouse of our memories.

Memories are peculiar. When we recall them, we drift far from the real and into an aesthetic paradise where only heaven and beauty reign. Thus, nowadays, as national and international conflicts increase and confusion is dominant we want to escape, more and more, into the unreal and beautiful world of memories.

Though we may not now realize it, our dearest memories lie in our high school experiences—the thrills and excitement of athletic contests, the convocations, the plays, the clubs and, yes, the classroom activities. Many experiences which today seem trivial may in future years become very dear to us.

Here, in this 1951 Tamarack, is preserved those precious memories. The student body and faculty of 1950-51 is the theme of this book. This is your book and it is to you that we, the staff, sincerely dedicate it.

J. M. TEWINKEL, Principal

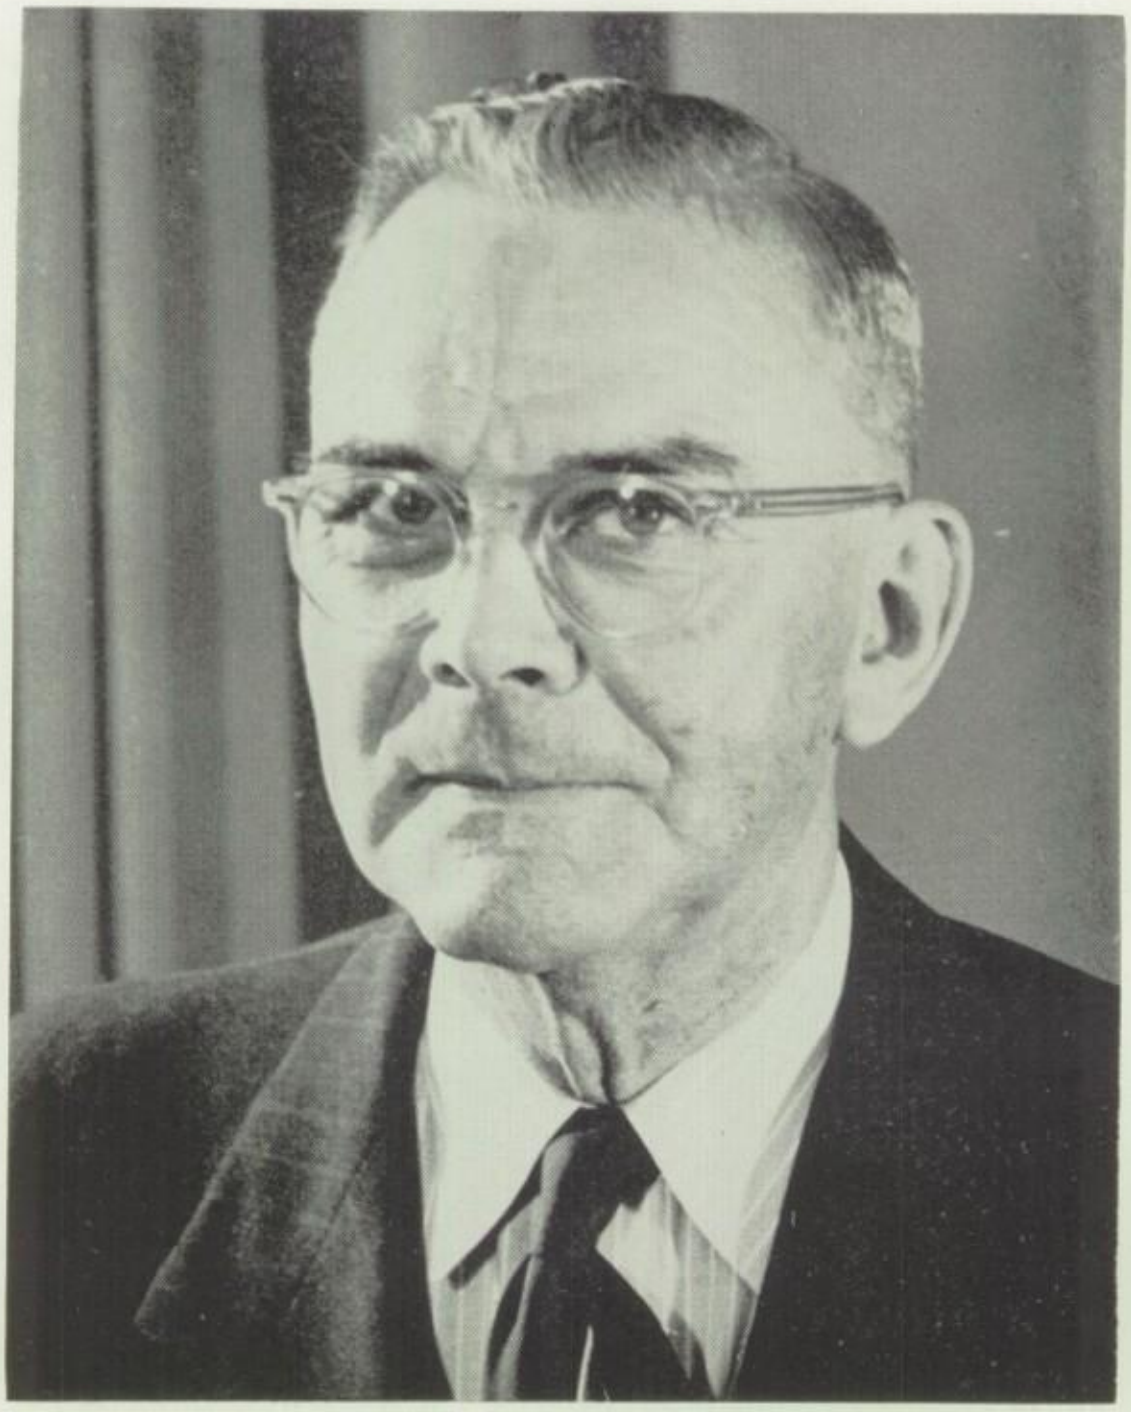
ONCE more, in its 42nd year, North Central bids goodbye to two fine groups of graduates. "Goodbye" is a good word, not a forlorn and lonely one. An old English contraction of "God be with ye," it expresses the finest wish one may extend to another.

So we wish that He may direct the ways of the hundreds who will leave their Alma Mater in this eventful year, to spread to the farthest corners of the earth. Eventful times call for strong men and women. We believe that our graduates have made preparation to meet the challenges of stern times.

We believe that they have learned that development of the intellect is not enough. Intellectual discipline must be coupled with social, emotional, and moral discipline if the individual is to live well. Only upon such a foundation, in its citizens, can a nation build stability and security.

Our good wishes go with every one who walks through North Central's portals for the last time. May "God be with ye."

J. M. Tewinkel



WALTER C. HAWES, Vice Principal

TODAY is Tamarack day. For some forty years there has been such a day, each issue containing a record of North Central in that year. Today's issue contains the record that you helped make. Can you improve on that record?

To many this will be the last Tamarack they receive. They will not be here next year, and the job goes to the undergraduates.

As you autograph your friend's Tamarack, be sincere—wish your friends well.

"Signing In"

Most prominent in the music programs this year were Marvin Lanphere, Pep Band pianist and choir accompanist, and baritone Ron Saffle who has starred in two operettas.

"It is the aim of the music department not to necessarily make musicians out of its students but to give them a proper outlet for their spare time," states Stanley Taft, music department head. Approximately 500 students were enrolled in the music department which consists of 11 different subjects. "The Nautical Knot", an operetta, was presented along with several concerts.

Courses in the visual arts have been offered by American high schools for many years. At North Central, the art department has grown to the point where it now has one of the largest varieties of art courses in the high schools of this state. Consisting of everything from painting to crafts and stage design to jewelry, thirteen courses are offered.

Artistic geniuses draw rapt attention during jewelry class.

Ellen Kawaguchi attempts vainly to instruct Kathryn Kelp in the intricacies of shorthand hieroglyphics.

The Commercial department is organized for two purposes: (1) to give students an opportunity to prepare themselves for business positions:(2) to give those who need this training for personal reasons an opportunity to become proficient in or acquainted with the different fields.

Subjects taught include four semesters of bookkeeping, open to sophomores; one semester of business English; one semester of business law; and one semester of office practice, open to seniors.

Those who wish business positions choose from the above subjects as many credits as their schedules will permit and enroll in either four semesters of bookkeeping or four semesters each of typing or shorthand. It is also an advantage if as many as possible of these subjects be taken during the last semesters of their high school work.

English is one of the essential tools of living, and to use it effectively, it is necessary to perfect it; to learn to read and to interpret it.

Literature, oral composition and written composition are the three divisions of English. Literature courses acquaint the students with the best in writing so that they may enjoy life through their reading. Oral composition helps perfect everyday speaking, conversation and public speaking and is especially emphasized in the debate, speech and drama classes. Written composition teaches correct and effective writing, as demanded in every day life. Grammar, usage, and spelling are an integral part of this division.

In the vocational unit, students are interviewed by an adult in the field of their choice. This course completes the required courses, and the two senior English classes are taken as electives.

International Relations students Imogene Knight, Jim Loski, and Carol Levick test their knowledge of geography.

Wars and rumors of wars, international controversy and general discussion among nations, make the social studies department particularly important at this time. Nations must learn to live together peaceably. Our advantage over other nations is a result of our superiority in science and the application of science in making more powerful weapons of defense and destruction. This advantage has created fear and distrust in other nations. Now we must learn to live in peace and harmony with all people.

The basic reason for the teaching of social studies is to bring about an understanding of the peoples and governments of nations. To help with this program the social studies department offers liberal courses in electives such as problems of American democracy and American government, consumer economics, world geography, psychology and international relations.

Unique in any curriculum is the nursery school of the home economics department. Here Noreen Peckham and Arlene Farrier supervise the daubings of future "Michaelangelos".

The home economics department offers instruction in home nursing, child development, social relations, home furnishings, clothing selection, clothing construction and foods. The department also sponsors a nursery for preschool children maintained in the cottage across the street, a costume-making class which assists in costuming school productions, and the Future Homemakers of America club, a national organization consisting of girls who are majoring or minoring in home economics.

To those who plan a career in any phase of engineering and to those whose future lies in a trade or vocation, the industrial arts courses offer valuable training. These courses include work in wood shop, metal shop and drawing. Students in wood shop learn to work with power tools. The metals courses, general in nature, introduce welding. Also offered are three fields of drawing: Mechanical, architectural and machine.

Projects help to acquaint students with their subject. Here Latin students George Fish and Robin Rymond consult encyclopedias for information on Roman house construction.

Two years of Latin and Spanish are offered in the foreign language department. French and German have been offered and will be taught again when the need arises. Spanish students not only learn the fundamentals in grammar but become quite proficient in conversational Spanish. Latin students, in addition to their study of the language, learn Roman history and its relationship to what is happening today.

The Library, consisting of 10,000 volumes, has a seating capacity for 165 students. It was organized in 1908 and doubled in capacity in 1918 under the librarianship of Lucille Fargo, who recently published her fourteenth book, "The Spokane Story." The work of the library is done by two librarians, Mary R. Bacon and Dolores J. Ellis, assisted by approximately 100 volunteer workers.

Scale models aid Mr. Nygaard's solid geometry classes in finding elusive solutions. Ron Stone, Virg Duchow and Bill Cook work out a "toughie".

In a world full of confusion, mathematics presents a field of study in which results are definite and basic theories stable. Partly for this reason many students take a definite liking to mathematics, even though they may not be highly talented in the subject. That more students of last year's graduating class chose mathematics as an elective major than any other subject is significant of the fact that students have begun to realize the value and need for it.

The complexity of modern living requires more engineers, more scientists and more technicians than ever before. Persons planning on entering these lines of work must have a thorough training in mathematics. Courses offered by the mathematics department range from elementary freshman mathematics to algebra 4 and trigonometry on the college level.

"EEK! Is that what I look like inside?" Such is the comment of many a biology student upon being introduced to the science department's mannikin. Joan Fenton and Ron Sanders examine human head structures.

The science department offers five courses: General science, biology, photography, and chemistry and physics, which are limited to upperclassmen. The biology department is well equipped with educational movies and advocates the use of them. The course gives the students a chance to study and experiment with a well-stocked supply of living specimens.

The chemistry laboratory is also well equipped for experiments and demonstrations, thus giving the students a better chance to illustrate what they have learned. One year of science above the ninth year is required for every student in order to graduate and algebra is a prerequisite for chemistry. Anyone planning for college, and especially those entering any field of medicine, engineering or nursing will benefit by the scientific courses.

"Moan! Groan!" Dick Nyberg and Willie Benson demonstrate the fine points of an old, yet ever-popular, sport.

The improvement and enlargement of the boys' physical education program has been the project undertaken for the last year by the men who head the department, Phil Sarboe, Jerry Stannard and Bill Diedrick. A definite scheduling of sports was planned and carried out according to the sports in season. Volleyball, touch football, basketball and swimming were offered. Western dancing classes for both boys and girls and special dancing classes for boys were features in the physical education program.

☆ ☆ ☆ ☆

The girls' physical education department, headed by Elsa M. Pinkham, assisted by Ruth Hetherington, carries on such competitive sports as tennis, softball, basketball, swimming, volleyball and golf. The tennis team, directed by Miss Pinkham and the golf team, coached by Miss Timm, competed with other city high schools. Class competition was held in basketball, volleyball and swimming.

Student Councils

The school term of 1950-51 marked the first year of the Associated Student Council's operation under the new student body constitution.

The A. S. C. includes two bodies, the house and the senate. The house is composed of representatives from each home room and the senate of the five student body officers, senators from each of the four classes and representatives of the Girls' League and Boys' Federation.

Taking over the grounds and traffic squad, the A. S. C. established, this year, a student court to try, convict, and sentence offenders of school regulations.

As all school clubs must be subservient to the councils, a major job the past year was the revision and ultimate ratification of the club charters to conform to A. S. C. regulations.

In addition to numerous convocations, many social activities were sponsored by the A. S. C. Most notable among those were the Sadie Hawkins' dance and a freshman dancing class. They also sponsored the annual basketball banquet.

Girls' League

Having been originated in 1918 by Miss Jessie Gibson, the Girls' League strives to attain the ideals of honor, service and loyalty, symbolized in the League pin.

This year, under the supervision of Miss Patricia Damon, League adviser, the League sponsored the P.-T. A. membership drive, spearheaded the donations to needy European families, held the Dad-Daughter banquet, and a Christmas mixer.

Perennial activities of the League are the awarding of pins to honor-roll girls and appointing "Big Cousins" to help acquaint new girls with school activities.

The legislative assembly of the League is the central council, comprised of home room representatives, who, together with the officers, plan each semester's activities.

The Boys' Federation

For 33 years the Boys' Federation has successfully fulfilled its purpose—to serve the boys of North Central by sponsoring direct projects and supporting other school agencies.

Supervised by its founder and adviser, Lowell C. Bradford, the "Fed" is organized into four departments: School service, community service, personal service and sports-for-all. Twenty committees carry out the functions of these departments.

The Federation has been instrumental in the maintenance of Kennedy field in which the organization has invested over $2,000. The purchases of the auditorium proscenium curtain and the grand piano were aided by Federation funds.

Noteworthy activities of the service group this year have been the awarding of the Archie Buckley inspirational trophy to Rollie Robbins, awarding of plaques to winners of sports-for-all activities, presentation of a Christmas convocation in conjunction with the Girls' League and sponsoring monthly convocations at which have appeared many notables in the educational and athletic fields. Plans are now being formulated for purchasing a school flag.

CO-EDITORS—Grace Horning and Dick Gustafson.

ADVISERS—Front: Don Townsend, printing; Mary McKenna, editorial and business. Back: George Smith, photography; Kenneth Mhyre, art.

This year, with its theme, the students and faculty of 1951, the Tamarack deviated from "conventional" layouts and tuned its end sheets, division pages, introductory section and type along modern lines.

During the fall semester, the editors and staff were occupied with the all-important task of choosing the cover, planning the make-up of the book and photographing all activities. The spring semester entailed the job of writing copy, assembling the sections and planning final distribution of the book.

FALL STAFF—Front: Joe Tewinkel, Carol Thompson, Gordon Peckham, Bill Green, Nancy Pencosky. Back: Marilyn Moore, Janet Adams, Joanne Cogley, Gloria Minelli, Arlene Gilbert, Virginia Long.

Tamarack

Probably the most difficult problem that faced the editors and advisers was the choice of the theme and division pages. More than three months were spent formulating and rejecting ideas and taking pictures. Finally, as a result of many plans, it was decided that the division pages should contain portraits of persons who represent the section, imposed upon a texture material also symbolic of the section.

The staff is divided into four groups: Miss Mary McKenna is publications adviser; George Smith, art; Kenneth Mhyre, art; and Don Townsend, printing.

ASSOCIATE EDITORS—Front: Blanche Harvey, Imogene Knight. Back: Jean Noel, Gloria Green.

BUSINESS STAFF—Front: Robin Rymond, Florence Coleman. Back: Jean Noel, Diane Wilson.

The Red

To top off the year's activities the Red Feathers, a group of over one hundred girls, and their director, Elsa Pinkham, accompanied L. C. Bradford and the band on their 25th trip to Wenatchee for the Apple Blossom Festival. Under the direction of Miss Pinkham, the Red Feathers performed in three stunts and also marched in the parade.

The girls presented the first stunt in the new Memorial Stadium last fall along with other spectacular football half-time stunts. Their striking uniforms, unlike any other group in the city, and their excellent performances have made the Red Feathers an outstanding unit in Spokane.

Feathers

Senior A Red Feathers are candidates in the fall for Football Princess and in the spring for Spring Sports Princess. The Color Guards and Song Leaders work with the candidates in presenting the traditional candidates' introductory convocation.

This year the senior A Red Feathers were the only athletic group to earn a first aid certificate for their work.

Juniors and seniors compose the group. C grades or better are required and the girls are judged by tryouts for their marching and dancing ability. Activities include sports, parades, and being active supporters, the year round, of the girls' sports program.

The Color

Another cheering, marching unit at North Central, the Color Girls, boasts membership of over 70 freshman and sophomore girls. This honorary group was organized in 1930 with 20 freshmen and sophomores.

It is easy to detect their purpose of promoting school spirit and interest in all athletic activities. They display the school colors at every game, sitting together in a group dressed in their deep-red sweaters, shoulder shields and black skirts.

Each semester the officers and Miss Hetherington compose the group which selects new Color Girls by judging them at tryouts. Freshman and sophomore B girls with C grades or better are eligible to join. Applicants must turn in applications and show their marching and dancing ability.

New officers elected from the sophomore B class each semester assist Miss Hetherington in operating the organization.

The North Central Band

Without doubt, the North Central band has gained a reputation unexcelled in the Northwest. When people speak of North Central, they think first of "Brad" and his musical "red coats."

During the Washington State Apple Blossom Festival in Wenatchee, North Central completely dominated the scene in the character of "honor" band and the colorful marching maneuvers of the Red Feathers.

Under the student leadership of Earl Smith, the pep band also played its way through a very successful season. Features of their 1950-51 program included playing for the Chronicle-all-city football show, the Spokane March of Dimes benefit, a concert at Havermale and numerous dances at school. Its members comprised the majority of the special band, who played for all home basketball games, accompanied all soloists at concerts and played for army recruits at the railway depot. The fifty-first formal concert was presented in March.

It takes high morale as well as a good team to win a game and the peppy song leaders are the gals that keep the school spirit high. As well as directing the songs and some yells they are constantly introducing new ones.

Student Court

"Guilty or not guilty; that is the question." The student court tries and sentences offenders of school regulations. This body is conducted along the lines of regular courts with "defendants" given the right to choose their own lawyers.

Tepee Lighters, Choir, Orchestra

"It's music, music everywhere!"

Composed of 106 members, North Central has one of the finest musical departments in Spokane. The choir, orchestra, and tepee lighters provide excellent outlets for talented students.

Under the direction of W. Stanley Taft, assisted by Gerald Hartley, the choir and orchestra presented the 39th annual operetta, "A Nautical Knot." They also appeared on one of the Spokane Town meeting programs.

Providing music for Commencement, Baccalaureate, and operettas comprises the principal activity of the orchestra.

Sixty-three talented singers make up the choral group, which has completed a crowded schedule participating not only in the operetta, but also in the Baccalaureate service, in broadcasts from the Davenport hotel and the music festival.

Tepee lighters, a comparatively new choral body, are select members of the choir. They have presented concerts from the lobby of the Davenport hotel and have appeared with the choir on numerous occasions. Many awards have been won by choir members.

Left bottom: When a ship lands at Barnstapoole, all hands charge to town looking for anything in skirts.

"A Nautical Knot"

The British seacoast town of Barnstapoole in the late 1880's provided the scene for North Central's thirty-ninth operetta, "A Nautical Knot," which was presented in December under the direction of Miss Pinkham, Mr. Drumheller and Mr. Taft.

Two love affairs comprise the plot: That of beautiful, flirtatious but lofty Julia with a penniless itinerant artist, Barnabas Lee; and that of a seaman, Joe Stout, with his sweetheart, Nance. Comedy is evinced in the person of Bill Salt, a bearded, red-nosed, old sea dog with exaggerated tales of his adventures.

Most of the color and gaiety of the musical was due to the choir or chorus in their presentation of songs and dances as they represented the townsfolk and the sailors.

"You Can't Take It With You"

A zany comedy, a superb cast and a novel staging technique insured the tremendous success which was credited to the fall all-school play, presented in the Totem In in January.

The play chosen by dramatics coach, Bob Drumheller, was the hilarious "You Can't Take it With You," by playwrights Kaufman and Hart. The staging was of the arena type wherein small audiences, which are seated in an "arena" around the stage, are no more than six feet from the performers.

The plot concerns a family living in a Bohemian-type atmosphere, oblivious of the troubles of the world and caring only for their own enjoyment. In the play all who come in contact with the family succumb to their rare type of existence and never again leave the household.

Hansel and Gretel

Recipe No. 1: Take one green-complexioned old witch; throw in a sandman and a dew fairy; mix with a chorus of white-garbed angels and stir well in a gingerbread house. Result: An honest-to-goodness, old-fashioned fairy tale.

Recipe No. 2: Take a libretto from a famous opera and mix well with the ingenious mind of Bob Drumheller. Combine both recipes. Result: Superb, interesting and lively drama.

Such were the factors which contributed to the unparalleled success of "Hansel and Gretel," presented by the drama department for the Children's Little Theater during March.

"Hansel and Gretel" marked a standard difficult to equal in high school drama. It was characterized by two sets of actors: One set on stage acting in pantomime and the other in the orchestra pit in speaking roles.

Melody Capers

Melody Capers, a glamorized vaudeville, was presented by the music department in April at a student matinee and evening performance.

Under the direction of W. Stanley Taft and Gerald Hartley, this second biennial spring production was received with the same enthusiasm that greeted the first Melody Capers two years ago.

The program included dances to modern and semiclassical melodies, a woodwind quartet, and special modern vocal numbers.

Performing in exotic costumes, made and designed in the period 6 costume-making class, were members of Tepee Lighters, the choir, and the orchestra, plus various instrumental and vocal soloists.

Miss Barbara Brown, a cadet from WSC, was guest soloist for the Capers.

Finishing in second place for the first time since 1944, Coach Phil Sarboe's North Central gridders proved themselves to be a match for any other team in the City League.

For the last six years, no North Central team has been able to approach this year's record of the Indians.

North Central's final season record was three wins, two losses, and two ties,

with one of those wins coming in a post-season game with the Montana powerhouse from Kalispell.

The new Spokane Memorial Stadium was the scene of the 1950 high school grid battles. The crowds who watched the games, could see every play from the Stadium's high seats. This in contrast to the poor facilities afforded last year by the high school stands.

The Indians opened the season with the dedication of the new Stadium—in the Merry-Go-Round game. Don Brown scored the first touchdown in the history of the new Stadium, the point was good, and the Indians went out in front of Gonzaga 7-0. The Bullpups, however, came back to knot the contest, and win on yardage in the first period.

In the third period, Rogers proved too much for the Tribe as they pushed over one TD to win 6-0.

The first league game proved to the city that the Indians were tough, as they tied the heavily favored Pirates 7-7. Brown and Darling did much of the ball carrying, and Duchow began his impressive PAT record in this first contest.

The first N. C. win came in the Gonzaga game, 21-13. The Indians scored three times before the startled Zags could hit pay dirt. The Brave linemen, Rollie Robbins, Art Sharpe, and Skip Pixley looked outstanding in the win.

Just as North Central proved unpredictable in the role of an underdog, they were just as unpredictable as favorites. The Indians were stunned as the lowly L. C. Tigers upset them to the tune of 16-0.

The champions from Rogers high scored in each of the last three quarters as they downed North Central 20-0. The Bucs proved too classy as they passed the Indians into submission in the second meeting of the two clubs.

The 1950 Shrine game, which followed the Rogers tussle, was the high light of the season as far as attendance was concerned. A capacity crowd of more than 20,000 was on hand to watch the Indians tie favored Gonzaga 6-6. A pass from Darling to Brown was responsible for the lone TD.

Revenge is sweet, and the Braves found that out as they knocked L. C. into the cellar with a 12-0 win. Guard Dick Nyberg recovered

a fumble on the Tiger four to set up the first score, and then Brown and Darling teamed up on a two-way pass play which was also good for six. The latter play was termed "play of the year" by local sports-writers.

Another upset followed as North Central defeated Kalispell, powerful Montana team, 13-7, in a postseason scrap.

As the season ended, the indefatigable Braves boasted a host of award recipients. All-State teamers were Sharpe and Robbins. Pix-ley, Sharpe and Robbins made All-City. Other honors bestowed were: The Archie Buckley inspirational award, Rollie Robbins; the Ecker award, Virg Duchow; lineman of the year, Rollie Robbins; best tackling award, Don Brown; best blocking award, Skip Pixley.

The entire student body was very pleased with the outcome of the '50 season; and as many of the squad members are juniors, the prospects look bright for the future.

B - Football

Coach Bill Whitaker's B squad gridders finished the 1950 season with seven league wins and no losses to capture the league crown. A postseason benefit game with the Chewelah varsity and a hard-fought battle with the North Central varsity were the only contests the Red and Black Bees dropped.

Many boys will definitely be varsity material next fall. Norm Berry (who plays either backfield or line), Hugh Shawgo and Wee Willie Benson, 220-pound lineman, were standouts for the tribe this season.

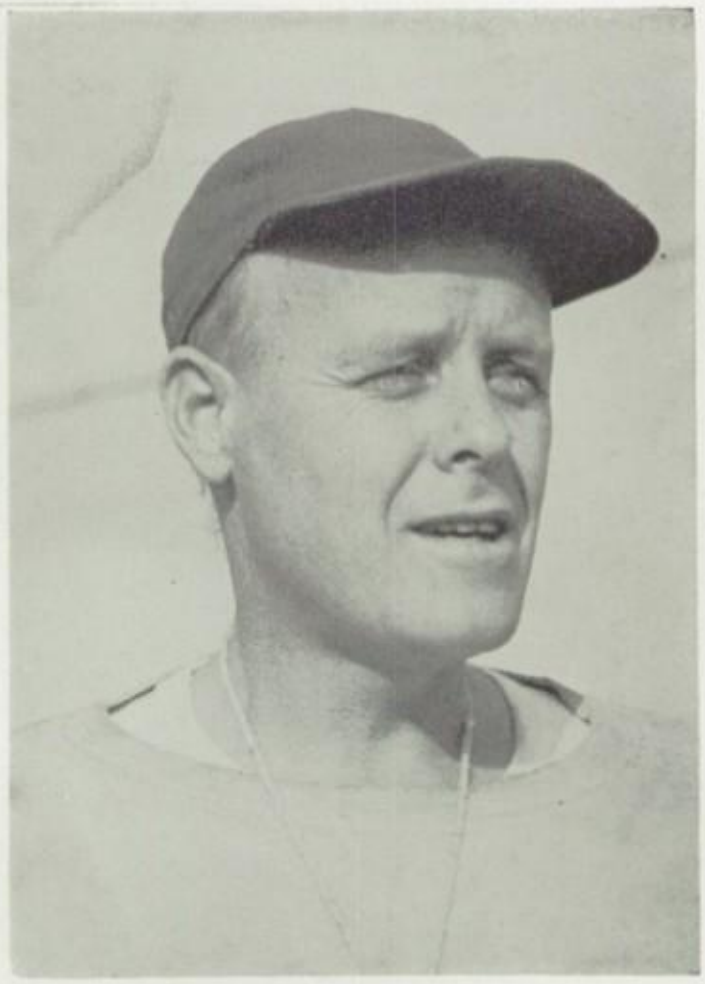
Frosh Football



Coach Don Bonamy

"If the boys stick to it and really want to play football, I'm sure that any one of them can make varsity in their junior year," commented Coach Don Bonamy on his 1950 frosh football team.

The freshman team this year came through with a record of three wins and one loss, tying the Lewis and Clark greenies for the championship. Coach Bonamy returned to the coaching scene this year after a year layoff.

The frosh team, this year, made up in spirit, aggressiveness and hustle what they lacked in size. Backs Mike Riopelle, Ray Ericksen and Ben Milne did most of the balltoting for the greenies.

Undefeated city champions for the second year in a row, number four team in the State tournament, and victors over Ballard high school, the Seattle city champs—this is the proud record of the 1951 varsity basketball team.

Coach Jerry Stannard, paying no heed to previous records or newspaper predictions, led his aggressive Indian ball club to the championship in his first year at North Central.

With only two lettermen on hand from last year's championship team, and with a complete change in offensive style, from slow break to fast break, the team began practice in the middle of November, preparing for the tough season ahead.

Lewis and Clark, with several returning lettermen, was the team

to beat, and the whole town was talking about the coming LC state champions. The Tigers breezed through their preseason schedule without a setback. On the other hand, the Indians, with many squad members suffering illnesses, had a mediocre preseason record, barely breaking even with six wins and five losses.

Refusing to believe the press notices, the Red and Black were able to trip the Bengals twice in the season by hard play and sharp defensive basketball. In the first game, the Tigers, without the services of their first-string center, lost 34-28. North Central proved that the first win was no fluke, however, by downing LC, 33-31 in the second encounter.

Gonzaga proved the easiest team for the Indians to beat. The Pups fell victim to the Tribe 39-29 and 51-35, and Coach Stannard used subs freely in both contests. The Braves played outstanding ball against the bigger Rogers Pirates as they downed the crew from Hillyard, 46-35, and 56-51.

the first meeting of the two clubs, and the Indians had to come from behind to win that one, 45-44. The second contest was easier, 57-50.

North Central kept its perfect record intact as they finished in the top eight places in the State tournament. The first day, the Indians drew Everett, and after a very slow start, downed the Seagulls by a score of 47-42.

The second game of the tournament saw NC against Seattle Prep. After leading until the final five minutes of the game, the Tribe dropped a bitter seesaw battle, 36-34.

Finishing strong, North Central won their last two games against Anacortes and Ballard. Anacortes fell to the tune of 51-36 as the Indians coasted in. The final game was a great victory for the Braves as they topped the Seattle champs from Ballard, 39-32.

Co-captains Darrell Kuelpman and Rod Walker led the team in scoring throughout the season. Walker was named to the second All-State team and Kuelpman to the third. Both were on the all-city first team. "Fireball" Don Flemming made second all-city.

Letter recipients were: Jim Tinnell, Larry Haunschild, Don Selland, Wayne Breeden, Dick Fosness, Louie Nelson, Don Faraca, Jay Jarpe, Arley Olsen, Bob Taigen, Rod McGillvary, Rex Hoesly, Jerry Baxter, Jim Quaschnick and Jack Fisher, manager.

Dusting off third

* * * With an assist from "old man weather," the North Central baseball team got off to a flying start by winning their first practice game from West Valley by a score of 9-5. Inaugurating the newly resurfaced ball field here at North Central, the Braves tied West Valley in their second outing, 2-2.

Led by four returning lettermen and a host of B-squad and frosh talent, the Tribe, under Al Manfred's coaching, hopes to improve its fourth-place standing of last year.

Bill Hoagland has the inside track for the catching position with Dick Disney backing him up. In the pitching department North Central has two returning lettermen, Tom Joy and Dale "Lefty" Kreager. Among the other pitching prospects are Jerry Christenson and Bill Zink. Showing plenty of class around the initial sack, Bill Powell seems to have that position all sewed up. At second, the Indians can

boast the best in the city in speedy Glen Meinke, who led the American Legion league in batting last summer.

Dick Bremer and Jack Webb are staging a red-hot battle for the starting call at shortstop with Bremmer on top at the moment. At third, we find glue-fingered Dick Bostrum and Jerry Gross battling to get the starting nod. The outfield can boast speed along with plenty of hitting power as Dick Stacy, Keith Darling, and Art Sharpe are back to terrorize opposing pitchers.

As the Tamarack goes to press, Dale Kreager looks like the cream of the crop, as his pitching in practice games has been very effective in baffling the opposition. As far as hitting goes, Glen Meinke, Dick Stacy, Art Sharpe, and Bill Powell seem to have the sharpest batting eyes. North Central plays a double round robin, meeting each school twice in league competition.

There's no place like home

At this early date it looks as though Art Walther and his Lewis and Clark Tigers are the team to beat, as they have a number of returning lettermen from last year's championship team. Rogers Pirates could give the South Siders a run for their money, though.

In the words of Coach Manfred, "This team could go a long way if our hitters come through as expected and our fielding improves with practice. Our main weakness right now is in the inability to field in a smooth manner; too many grounders go for hits. If this mistake is smoothed out, the other teams will be hearing from the North Central Indians."

With the use of the home field this year, North Central will have from the students the much needed support which was lacking last year, when the Indians played all their games away from home.

Varsity Track

"Brightest prospects in years." With these words Coach Al Danielson summed up the 1951 edition of the track squad. And with ten returning lettermen to form the nucleus of the team, it looks as though the Tribesmen are all set to go after the state championship, which narrowly eluded them last year.

One of the high lights of this year's team is the fact that three of the four members of the state championship relay team return for another year of competition. Among the returning lettermen are the hurdle twins, Alan Torgerson and Don Shaw, both of whom were undefeated in city league competition last year.

The team seems very strong in the dashes as Bill Langdon, Don Hamlin, and Bob Wirsch are also back again. In the 880, we boast a city champ in Neil McKeever and a strong second place in Ev Bailey. Our long domination of the mile run will probably continue another season as Bob Newland is back to carry on in the footsteps of the record-breaking miler, Jack Fruit. Jim Buckley and Skip Pixley are best in field events. "Pix" is a shot-putter and Jim pole vaults.

North Central meets each school once during the season, then ends up with the Tri-district meet at Hart field and the state meet at Pullman.

The Indians got off to a convincing start as they raced to a victory in the pre-season meet at Pullman.

Cross Country

Running roughshod over all opposition, the champions from North Central successfully defended their cross-country title in 1950. Three dual meets and the All-City meet were tucked under the belts of Coach Al Danielson's Braves.

This marked the third straight city championship for the Indians and their fourth in five years. It was Coach Danielson's second year as mentor of the harriers.

Red-headed Jack Fruit, who copped firsts in all four of the events this year, in the final meet established a new record for the Comstock Park course, breaking his own record of last year. Bob Newland,

Jack Fruit embraced by cheering teammates after his winning the all-city meet and the Chronicle trophy.

diminutive North Central number two man, racked up perfect twos across the board, finishing behind Fruit in each race.

Both Newland and Fruit, being too small for football players, wanted to be champions in their own right and certainly proved that tall stature is not imperative for a champion athlete. Both boys trained very hard for the season, as did the entire team, and it paid off in the end.

Others who were outstanding this year were: Al Jones, Neil McKeever, Bob Skinner, Harry Vazanko, Bob Holloway and Mike Fraser.

Rogers and Gonzaga fell to the Indians without much opposition by scores of 15-117 and 15-50, respectively. North Central swept the Lewis and Clark and All-City meets by closer scores, but still by decisive margins.

In the LC meet, NC beat the Tigers 19½—38½. The All-City meet score was NC 24, LC 33, and Rogers 67. Gonzaga's only entry in the event failed to cross the finish line. Bengal harrier, George Couchman gave the Tribe a real race in both contests.

Because of true team spirit and Fruit's brilliant running, the 1950 cross-country will be remembered as one of the greatest in the history of North Central and of the city.

Golf

Losing only one letterman from last year's mythical state championship team, the golf squad seems ready to repeat again this year.

Under a new coach, Don Bonamy, who assumes the reins from Walt Hawes, the tribe linksmen have a host of talent including Rod Funseth, Jim Tefft, Frank Wells, Don Weaver, Bob Selland, Dave Ross and newcomers Alan Shields, Ed Perdue, Wayne Livengood and Lewis Hutchins.

The Indians play a double-round-robin schedule topped off with the Inland Empire Boys' high school tourney.

Tennis

With but two lettermen returning from last year's undefeated tennis team, prospects for the coming season seem quite dim. However, Coach Ernest Hix reports some outstanding material among the nonlettermen.

Led by Louis Starner and Maurice Miles, with Ronald Upp, George Hieber, Tom Harris, Bob LaLonde, Jim Weeks, Charles McNeil, Mickey McCuddin, Rod Walker and Bob Stockman backing them up, the team will be in there to the finish. Among the sophomores, Tom Thompson and Harold Erickson show the most promise.

Sports

Warren J. Riopelle, Sports-For-All Director

"A sport for every boy!" Carrying out this theme, the Sports-for-All department, directed by Warren J. Riopelle, enjoyed a successful year.

Ping-pong and Q-croquet, directed by Mr. Riopelle and Burrill D. Exley, started things out with a bang. After two months of play, the championships were decided with George Hieber, Don Hampton, and Pat French taking first, second and third, respectively, in ping-pong; and John Cozzetto, John Tuft, and Jack Meredith capturing the honors in Q-croquet.

Next on the agenda came basketball which was set up a little differently from last year. The varsity basketball candidates were

each assigned a team to captain. Out of the scramble among 12 teams, Paul Morigeau's five emerged the winner. On Paul's team were Bob Burkhart, John Cozzetto, Jack Vill, Frank Spray, Neil McKeever, Gale Graham, Jack McKay, and Harry Green.

Wrestling and swimming were again popular with the boys. Although there were no championships decided in wrestling, the boys learned various techniques and holds from Coach Bob Bland. Turning out regularly for wrestling were Dick Nyberg, Willie Benson, Lynn Hawes, Russell Brookshire, Al Benson, Ron Fox, Barry Baun, and Gary Baun.

Topped off by a water festival, the swimming was as popular as ever. Coached by George Smith and John Rodkey, 18 boys enjoyed many different water games and races. Those who received 10 points for swimming were Willie Benson, John Tuft, Frank Bos, Don Vuurman, Denny Monaghan, Bud Watson, Barry Baun, Jim Williams, Oscar Johnson, Ronald Meyer, Mickey McCuddin, Wayne Livengood, Ward Eason, Russell Brookshire, Gary Baun, Dave Womack, Bill Crowe, and Don Knack.

The tumblers, directed by Howard McNew, performed for the March of Dimes talent convocation in February. Winning points for the intramural award were Dick Nyberg, Coewell Gaines, Bill Kiper, Russell Brookshire, Dan Rowley, and Sonny Thrush.

Girls' Tennis

For the third straight time, the girls' tennis team, coached by Miss Elsa Pinkham, head of the girls' physical education department, won the city championship.

Mary Penna captained the team during its fall semester, and Virginia Penna was captain for the spring semester.

Last fall, the Penna sisters, Mary and Virginia, copped the girls' city doubles championship, and Carol Haas won the girls' city single champion title.

Barbara DeFeyter, Anna Mae Rosholt and Pat Heinekin managed the team.

Downing its only city opponent, Lewis and Clark, with a score of 29½ to ½, the girls' golf team won the city title again this year. Miss Wilhelmine Timm, biology teacher, coached the girls, who practiced at Downriver golf course each Tuesday and Thursday.

Manager last fall was Donna Moe, and Louise Waugh was captain. Barbara Goodman and Jackie Salvage were the spring captain and manager. The girls competed among themselves and had to play 18 holes a week.

Badminton

"Watch the birdie!"—shuttlecock to the more technical players, but either way it still adds up to badminton.

With the doubles tournament being played first, badminton competition was held during March, being terminated with the singles tournament.

The team of Joanne Gruber and Lou Ann Habel was victorious in the doubles battle, defeating Virginia Penna and Dorothy Penna. Joanne Gruber won the singles crown after downing Lenor Sontag.

Miss Pinkham, Miss Hetherington and Miss Van Tine, Washington State college cadet teacher, supervised the tournaments.

Swimming

Suzie Walters, Lavonne Snider and Phyllis Glen were chairmen of girls' after-school swimming this year. The group had an enrollment of 58. Miss Elsa Pinkham directed the group.

Beginning swimmers reported on Mondays and the advanced on Wednesdays. Activities included Red Cross swimming tests and races. During the spring, a life-saving class was conducted.

Competition was held between the classes. As the Tamarack goes to press, the sophomore girls are in the lead followed by the seniors, juniors and freshmen respectively.

Doing it the hard way.

Front row: Ruth Rule, Suzie Walters, Phyllis Glen, Lavonne Snider, Frances Graham. **Second row:** Mary Ann Coleman, Donna Jean Walden, Betty Wiggins, Edna Worthington, Esther Blank, Willimae Saiter, Sylvia Hannah. **Back row:** Marilyn Davis, Verna Brockmier, Sally Ellis, Barbara White, Bonnie Patrick, Vivian Mullenix, Sharon Sleeth, Rosa Lee Cockrell, Barbara Randall, Delnora Erickson.

Softball

"Take me out to the ball game." . . .

And that meant every Tuesday and Thursday morning for our "Babe Ruths" in the girls' gym department.

With Miss Hetherington in charge and managers Edna Worthington and Jean Wolff assisting, the softball games ended interclass competition for the year.

In May, Mr. Danielson and the track team helped officiate the annual girls' track meet. All girls were urged to participate in the events such as shot-put, broad jump, high jump, 50-yard dash, 75-yard dash, baseball throw and relay.

Shirley Gies slides home as Alice Maddux and Delores Mommolite watch her form.

Skating

Louise Waugh and Nancy Pencosky exhibit blade finesse.

"Skating is an art and sport combined," says Miss Elsa Pinkham, director of skating. With both boys and girls participating, a class was offered on Wednesdays and Fridays at the Ice Arena with Miss Timm, Miss Pinkham and Miss Allison lending a helping hand.

Points were given for tests and attendance. The girls also received gym make-ups for this activity and could substitute it for one gym class a week.

Louise Waugh was skating manager during the fall semester and Carol Jean Smith in spring.

Front: Carol Jean Smith, Nancy Pencosky, Lois Oxreider. **Second row:** Kay Andre, Charlotte Wilson, Janet Linden, Shirley Thompson. **Back:** Carolee Sanderson, Jack Liernief, Louise Waugh, Dwight Booth, Darlene Sheehan.
